

I enjoy listening to K-Love daily. If LPFM is allowed to take priority over current FM translator services it could force my signal off the air.

K-LOVE serves me as a resident of the local community. It provides me with a community calendar of local events.

K-LOVE encourages listeners throughout our community. Please do not displace it by an LPFM broadcaster providing other programming.

The service provided by K-LOVE is in the public interest for its encouraging words and positive music.

Thank you.
